**DO YOU KNOW**

That the surest way for a young person to be-  
come self-supporting is to get a thorough  
knowledge of shorthand and typewriting? If  
he learns bookkeeping all the better. In se-  
curing this education he must not overlook  
the important subjects of spelling and pen-  
manship. We make a specialty of these essential  
studies, and for the sum of \$50 a person may  
attend the day session for a period of ten  
months. Six months is found sufficient in  
some cases, and in others only five months is  
necessary, but we do not wish anyone to be  
deceived in thinking that these cases are the  
average, for they are not. You had better  
count on ten months. If you are at work dur-  
ing the day we will give you three months (15  
weeks) for \$10, night session. This is a  
reduced rate and is just one half the day rate.  
A beautiful catalogue will be sent you on  
application, but we prefer to have you come  
and see us. A good time to call is after five  
in the evening.
